Coaches,

On behalf of the ACME Baseball Congress Board of Directors I am pleased to forward our request for nominations for our 2017 Hall of Fame Class. Beginning in 2005, 28 outstanding individuals have been inducted into our Hall of Fame, all having demonstrated exemplary and long standing service to their communities and to our organization. Nominees may be an individual, player, coach, league or District Commissioner, Board of Directors or State Commissioner having demonstrated good citizenship and meritorious service to ACME Baseball.

Nominations for Hall of Fame consideration shall be in writing and on the official nomination form which is available at: <http://acmebaseballcongress.org/hall-of-fame/>

or upon request from ACME Hall of Fame Director Steve Sterne at: sterno@bright.net . Nominations may be originated by anyone and forwarded to Mr. Sterne **before December 31** of any given year. Nominations shall be reviewed by the Board of Directors in February with Induction taking place at the ACME Baseball State Tournament in July. In addition, no more than 3 persons shall be inducted in any given year.

Please feel free to forward this information to any person you think may wish to nominate a deserving person. ACME Baseball has been an integral part of summer baseball in many communities for over six decades and is the product of the efforts of many individuals who have contributed much time, effort and knowledge to give young people an opportunity to play this great game which we all love.

Thank you for your continued support and we look forward to reviewing this year's Hall of Fame nominations.

Yours in Baseball!
